POSTER PRESENTATIONS

1. Poster size should be 70 cm x 100 cm. 2 cm space should be left from the top, bottom, left and right sides of the paper.

2. The name and logo of Congress should be placed on the upper left corner of the poster, and the name and logo of the foundation / institution / university should be placed on the upper right corner.

3. Poster Name must be written in 48 point Times New Roman Character and bold.

4. Author Name(s) must be written in 28 point Times New Roman Character and bold.

5. Authors' e-mail addresses should be written in Times New Roman with 28 points.

6. The text should be given in two or three columns.

7. Text titles should be written in 24 pt Times New Roman Character and bold.

8. The text should be written in 24 pt Times New Roman.

9. The posters should be formed in such a way that they do not pass through the entrance and 3 sections, and at the end the sources should be indicated as an index with smaller characters.

10. There is no color limitation in poster making, but emphasis should be given to using colored figures and photographs to increase visuality. To ensure that characters are easily readable in shapes, the appropriate size characters should be used and the same characters should be preferred in all shapes. Shapes should be given in sizes that can be easily seen from a distance.

    The APA style should be adopted in the formal features of the text, including the presentation of references, references, figures and tables.

POSTER PRESENTATION RULES

1. Posters will hang numbered panels to be determined by the Symposium Organizing Committee.

2. Poster holders will be stand over of their posters at the times indicated in the schedule and will give information about their work.
